# WARMINSTER UPDATE

11 MAY 2020

It gives us real confidence that our son's learning is still progressing positively given the difficult circumstances we are all living and working under.

**WARMINSTER PARENT**  
Mexico, May 2020

## WE ARE LISTENING

While our pupils remain safely at home we are carefully planning for their return, listening to the very latest advice from governments around the world.

## WE ARE BEING PROACTIVE

Our teaching staff are busy adapting and updating their on-line delivery of continued education for our pupils **every day**, ensuring all our pupils, wherever they are in the world are included and active in our virtual community.

## WE ARE IDEALLY LOCATED

Warminster is situated in the heart of the South West of England recording amongst the **very lowest** number of cases of Covid-19 in the UK. Our school sits in over 60 acres of our own private grounds.  
**We are one community.**

## WE ARE HERE FOR YOU

Our entire team are on hand to answer any questions you may have and our Headmaster, Mr Matt Williams together with key members of staff are available for video calls.
